1. THE BULLDOG BREEDER shall hereinafter be referred to as the "Seller." The original purchasing party, and solely the original purchasing party, shall hereinafter be referred to as the "Buyer." The Kennel who supplied the puppy shall hereinafter be referred to as the "Breeder."

2. The Buyer must have the puppy examined by a licensed veterinarian within two (2) days of receipt of the puppy excluding Sunday and holidays. A copy of the examination (medical record) must be sent to the Seller by e-mail or fax within four (4) days of receipt of the puppy. The Buyer shall not vaccinate the puppy within the first ten (10) days upon receipt. Failure to comply will render this guarantee void.

3. The Buyer is responsible for the daily health care and maintenance of the pet, including all immunizations and examinations recommended after purchase, as well as providing necessary medication and follow-up

treatments from veterinarian visits. The Breeder will have properly dewormed the puppy up to the departure date. It is the buyer's responsibility to continue proper deworming after receipt. The Buyer understands that intestinal parasites (including hookworms, roundworms, whipworms, coccidia, and giardia) are considered a normal occurrence and all puppies need regular fecal exams and deworming up to 16 weeks of age or more. In order for the guarantee to remain in effect you must keep receipts and records to verify that you have taken your pet to a duly licensed veterinarian for checkups and all required immunizations.

4. In the unlikely event of the death of the puppy within one (1) year from its birth due to genetics, the Breeder shall replace the pet with another of equivalent value at no cost to the Buyer within 120 days. All conditions set forth in paragraph 20 shall apply.

5. In the event of the death of the puppy, due to genetics, after the first year of birth, the Seller shall issue a credit in the amount of 30% of the original cost towards the purchase of a replacement puppy of equivalent value to the Buyer within the 120 day respective period. The conditions set forth in paragraph 20 shall apply.

6. In the unlikely event that the pet is ever lost or stolen, The Bulldog Breeder will issue a store credit in the amount of 30% of the original price towards the purchase price of a replacement puppy of equal or greater value. Such store credit must be used within 90 days of the pet's disappearance.

7. For the purpose of this Lifetime Lost/Stolen Guarantee, the value of the puppy is limited to the original purchase price of the puppy, not including shipping costs, crate, health certificate or administrative expenses.

8. If the Buyer declines the replacement puppy, then the Seller and Breeder shall be under no further obligation and it will be deemed that the Buyer has released the Seller and Breeder from any and all further claims.

9. In case of severe knee, elbow or hip dysplasia, the radiograph should be permanently identified in the film emulsion with: registered name and/or

number, name of the veterinarian or hospital making the film, date of radiograph taken. Furthermore, the radiograph and report must meet OFA's standard submission requirements.

10.The value of the puppy for the purpose of this guarantee is solely the original purchase price of the puppy, and does not include shipping costs, health certificate, shipping crate or any additional prices declared by the Buyer.

11.All puppies are sold as pets and shall be spayed or neutered when age appropriate. No guarantee is made as to disposition, conformation, size, weight, color, markings or breeding ability.

12.The Seller makes every effort to provide accurate and up-to-date information on the website regarding the puppies they sell. This information includes, but is not limited to, breed, gender, color, date of birth, weight, parent's weight and registration. Due to human error on occasions the listed information may not be 100% accurate ie...names, age, breed, availability or otherwise. The seller is not responsible for typographical or photographic errors.

13.Usually the puppy will ship within 7 to 14 days, but occasionally a puppy may need additional time with the Breeder before shipping. The Breeder and the Breeder's veterinarian, with the health of the puppy being the overriding factor, make the final determination of the shipping date for the puppy.

14.Transportation of the puppy is arranged through third-party carriers. Occasionally there may be delays for numerous reasons including, but not limited to, weather, temperature restrictions, logistics, mechanical failure, or other unforeseen events. The Seller shall not be liable directly or indirectly for any delays that may cause the Buyer inconvenience or financial loss, nor shall any delay be a valid cause for cancellation.

15.In the event of any litigation in connection with this contract, both the Seller and the Buyer shall each be responsible for their own attorney's fees

and costs. The venue and jurisdiction for litigation arising out of or related to this contract shall lie exclusively in Broward County, Florida. In the event the Buyer prevails in litigation, the total awarded value shall not exceed the value of the original purchase price.

16. An administrative fee of \$495.00 shall be retained by the Seller should the Buyer decide to cancel anytime prior to shipping. This fee is to reimburse the Seller for out-of-pocket expenses and overhead costs associated with the transaction.

17. Neither the Seller nor the Breeder will accept any returns of said puppy for any monetary refund, including but not limited to allergy, Landlord/Tenant, marital, or adjustment problems, etc. If the Buyer must return the puppy for any reason, it will be on a surrender basis only with no refund or store credit, and the Buyer will be responsible for all shipping costs.

18. English Bulldogs are only covered for a period of one (1) year from original purchase date. During which time, this guarantee does not cover what in Bulldog breeds we consider normal: Cherry Eye, Entropion, "loose hips", skin allergies, elongated soft palate, small trachea, stenotic nares.

19. In the unlikely event said puppy is found to have a congenital or genetic defect that is life-threatening, a statement from 2 different licensed DVM's (Doctor of Veterinary Medicine) of Buyer's choosing confirming such an event and cause is required before any action will be taken by the Seller. Seller reserves the right to a third opinion of Seller's choosing to determine the Congenital defect. If this guarantee is exercised and a replacement puppy is given then the original puppy must be returned to the Breeder. All shipping costs are paid by the Buyer. No replacement will be given if the female has been bred. All laboratory verification must be done by a licensed, DVM, Doctor of Veterinarian Medicine. No replacement will be given if breeds that are known to be prone to hip dysplasia are over weight or over exercised. No replacement will be given if the registration application form has expired. Failure of the Buyer to provide puppy with

timely inoculations or regular veterinary care will void this guarantee. This guarantee does not cover any Veterinarian costs.

20. The Buyer is aware that owning a puppy means frequent visits to a Licensed Veterinarian and understands that he/she will be responsible for all payments. This guarantee does not cover any of the following conditions: intestinal parasites (Coccidiosis, Giardia, Tapeworms, Hookworms, or Roundworms), Ringworm, Kennel Cough, Pneumonia, Ear Mites, Skin Mites, Mange (Sarcoptic, Demodectic or Cheyletiella), Cherry Eye, Allergies, Herniations (Umbilical, Inguinal, Perineal, or Diaphragmatic), deciduous teeth removal, dewclaws, Intervertebral Disc Disease (IVDD), Heart Murmur grades I, II or III, Patella Luxation grades I, II or III. You must follow THEBULLDOGBREEDER recommended nutritional program, including feeding only premium dog foods and vitamin supplement listed in the paperwork that we give you at the time of purchase. You must retain all receipts for food and vitamins to show you are abiding by this guarantee. All dogs must not be over exercised during their growth period. Over exercising is as follows: running with the dog or jumping the dog. All the above-mentioned conditions must be met or all guarantees above mentioned will be void. Temperament issues are not covered under this guarantee as they can be caused by a lack of training, discipline or proper dog socialization. The owner is responsible for all transportation costs to and from the Seller. If within one (1) year from the date of purchase from Breeder, a dog is found and certified by two (2) duly licensed Veterinarian doctors to have congenital or hereditary disorders which adversely affect the health of the animal, and if Breeder is notified within two (2) business days of the veterinarian's determination, the breeder will provide a replacement puppy of equivalent value. The Breeder and/or seller are not responsible for any veterinarian fees, shipping costs or any other associated costs. Seller sells pets for companion purposes only. Seller does not

guarantee against low-blood sugar (Hypoglycemia), or any other non-life threatening illnesses common to puppies.
